Safety & Security Doors

ADD A TOUCH OF CLASS TO YOUR ENTRANCE

The strength and security of 2mm Punched Aluminium mesh in combination with aluminium decorative panel attached, gives you safety and a very attractive appearance for your main entry.

Our decorative cast panels are available in our full range of colours to choose from.

Aluminium punched mesh is also available in 2 colours: **BLACK OR GULL GREY.**

The cast panels are chemically attached to the aluminium mesh then riveted on the back with stainless steel rivets.

Quality Materials

All door inserts are gravity die cast in 100% recyclable aluminium which does not rust and is known for its durability and strength. All door frames are constructed from extruded aluminium.

Caring for your Doors & Screens

To extend the life of your surface we recommend doors should be washed down regularly, especially in salt water environments. Avoid all acid based cleaners.
